CORONAVIRUS PRECAUTIONS

To protect the health and safety of members and participants of New England SciTech and our local communities, anyone entering this facility MUST comply with the following:

1. **Do not enter if you meet ANY of the following conditions.**
   a. If you have been in close physical contact with anyone diagnosed with coronavirus infection in the past 2 weeks.
   b. If you returned from any out-of-state trips within the last 2 weeks.
   c. If you have been in close contact with someone who returned from any out-of-state trips within the last 2 weeks.
   d. If you have any of the following symptoms: generally feeling ill, fever above 100.4°F, cough or sore throat, unexplained shortness of breath

2. **Upon entering, you must do the following.**
   a. Wash your hands with soap and water for at least 20 seconds in the hallway sink.
   b. Wear a mask while in public areas or when you are close to other people.
   c. By entering, you are assuming and acknowledging all risks and agree not to hold NEST and its volunteers responsible if you contract the virus.

3. **During your visit, practice rigorous personal hygiene.**
   a. Regularly wash your hands with soap and water for at least 20 seconds.
   b. Wear a mask when you are close to other people.
   c. Use hand sanitizer whenever you can’t wash regularly.
   d. Avoid touching your face, especially your eyes, nose, and mouth.
   e. Minimize touching objects that are not the main purpose of your visit.
   f. If you cough or sneeze, cover your mouth and nose with several layers of tissues if possible and away from people. Discard the tissues in the trash. If you don’t have time to use tissues, cover your nose and mouth with your elbow.

NEST endeavors to keep our facility sanitary and safe for everyone. We perform daily (and as needed) disinfection of work surfaces with bleach. However, you may want to bring your own alcohol-based hand sanitizer lotion or wipes for personal use.

Thank you for your cooperation and support. For questions, please call our Director at 508-720-4179.
